Minutes of the Regular Meeting
Independent School District 279 School Board
March 16, 2010

CALL TO ORDER	A regular meeting of the Independent School District 279 School Board was held on Tuesday, March 16, 2010, in the Board Room at the Educational Service Center. Vice Chairperson Henke called the meeting to order at 8:03 p.m.
ROLL CALL	The following members were present: Board members Tammie Epley, Lin Myszkowski, Dean Henke, Laura Cottingham, Kim Green, and Superintendent Susan Hintz. Chairperson John Nelson was absent.
PLEDGE OF ALLEGIANCE	The Pledge of Allegiance was recited, led by Pack 84 Webelos from Rice Lake Elementary.
ACCEPTANCE OF AGENDA	Motion by Henke, seconded by Cottingham, to accept the printed agenda. The motion carried unanimously.
AUDIENCE OPPORTUNITY TO ADDRESS THE SCHOOL BOARD	The following community member addressed the Board during Audience Opportunity to Address the School Board: Teresa Lunt.
SUPT. REPORT	Superintendent Hintz shared that North View Junior High recently appeared on a list of 34 Minnesota schools that will be eligible to apply for federal school improvement grants after being identified by the Minnesota Department of Education (MDE) as a “persistently low-achieving” school. She stated that as more is learned from MDE, we will continue to share information with our School Board, staff, and community. <i>The superintendent stated that our mission is to inspire and prepare all students to achieve their dreams, contribute to community, and engage in a lifetime of learning; these accomplishments are evidence that our students are achieving this mission. With assistance from Cabinet members Superintendent Hintz shared some “points of pride” that showcase some of the achievements that have taken place in our District 279 school community.</i>

Achieving Results

The Woodland Elementary Spelling Bee took place on February 19 with 26 students from grades 4-6 participating as finalists from their classrooms. The champion of this year's Bee was 4th grader Afton Aiken, who advanced to the Metro Area Spelling Bee at the Minnesota History Center on March 13.

Tora Husar, fourth-grader at Fernbrook Elementary, earned a perfect score in the Blue Division of the WordMasters Challenge—a competition focused on vocabulary, analytical skills, and critical thinking. More than 200,000 U.S. students competed in the competition, and Tora was one of only 132 fourth-graders to earn a perfect score.

Two North View Junior High students received Honorable Mention honors at the History Day regional competition earlier this month. Tunmise Fawole was recognized for her exhibit about Muckraker Ida Tarbell; and Lacy Myrman was honored for her exhibit about birth control pioneer Margaret Sanger. Six other North View students participated in the History Day competition.

Rush Creek students read 303,342 minutes during February as part of "I Love to Read Month." Rush Creek students were challenged to read 201,000 minutes as a student body. As a reward for surpassing that goal, students celebrated by enjoying an Olympic-themed event filled with team-building and cooperative play activities.

The Minnesota Bar Association honored Park Center's Mock Trial team by giving it the 2010 Team Professionalism Performance Award at a banquet on March 10. The award recognizes high professional standards; to be considered, participants must demonstrate civility and courtesy; respect and fairness; honesty; integrity; and trustworthiness. The award is presented to only one Mock Trial team per year, and it is a great honor.

Emily Ford, a senior at Osseo Senior High, is a Channel 12's most recent Standout Student. A vice president of the National Honor Society and a Junior Rotarian with the Maple Grove/Osseo Rotary, Emily was commended for her leadership in the classroom and the community. Emily has been accepted to three colleges so far, and hopes to learn soon of her acceptance to the military academies at Annapolis or West Point, where she aspires to study engineering.

Student Confidence, Courage, Competence

Congratulations to the Park Center Boys' swim team on its 6th-place finish in the section meet.

SUPT.
REPORT

In Maple Grove Senior High athletics:

- The girls' basketball team won the section title and will compete in the state tournament this week.
- The wrestling team finished 6th in its first appearance at the state tournament.
- Both the CI and PI floor hockey teams will play in the state tournament this weekend at Bloomington Jefferson.
- The boys' swimming team finished sixth at the state swim meet.
- The boys' hockey team was runner-up in the Section 5AA hockey tournament.

Contributing to Community

On March 3, a group of Early Childhood Family Education and Special Education staff, family and friends packaged more than 1,600 meals at Feed My Starving Children. They also collected \$100 in donations to benefit the charity.

21 staff members from Park Center Senior High and North View Junior High IB World Schools participated in the Minneapolis Polar Plunge on March 6 to raise money for Special Olympics and to model for students the importance of contributing to community, which is a key concept in our system's mission. The I.B. Chillin' team dedicated its chilly adventure to students and raised a total of \$2,967.

Eight Park Center students are serving on two of the City of Brooklyn Park's strategic planning teams, helping build a bright future for their community. Using a planning model similar to the one used in our system, Brooklyn Park created a Core Planning Team, Measurement Team, and Action Teams to develop a mission statement and strategic plan for eventual approval by the Brooklyn Park City Council.

The Future Educators Club at Park Center Senior High collected more than 2,000 new and used children's books during a book drive last month. All books will be donated to Oxbow Elementary in Champlin, where the team shadows other educators.

Lifelong learning

Up With People visited Zanewood and Crest View Elementary Schools on March 2 to deliver the "Stand for Peace" program, teaching students about diversity, how to embrace differences, and how to resolve conflict peacefully. The lively program was conducted in individual classrooms using discussion, song and dance, and culminated with a school-wide assembly. Traveling with the 2010 Up With People cast is Kyle DeGraff, 2007 graduate of Maple Grove Senior High.

SUPT.
REPORT

Garden City hosted a Multicultural Family Literacy Night on March 4, inviting students and their families to celebrate books, participate in educational workshops and craft activities, and learn about American Indian, Hmong, Mexican and Turkish cultures. Students were encouraged to dress to reflect their individual heritage and culture. More than 150 people turned out for the event.

Leveraging Assets

Thanks to coordination by the North Hennepin Area Chamber of Commerce Business Education Partnership Committee and BestPrep, employees from Caterpillar, Inc. have been mentoring International Baccalaureate Diploma Programme business and management students at Park Center Senior High. The mentors and mentees corresponded via email for six weeks on topics such as college/post-secondary experience, career experience, ethics, attendance issues in the workplace, leadership roles, workplace communications, and teamwork. Students were able to meet their mentors when Caterpillar came to Park Center for a recent meet and greet.

Volunteers from TopLine Federal Credit Union hosted two financial literacy and personal money management training sessions for students at Park Center Senior High earlier this month. Nearly 80 juniors and seniors in the school's Family and Consumer Science "Real Life 101" classes participated. Students learned valuable lessons about topics such as financial planning and goal setting, saving, using credit wisely, preventing identity theft.

To help Fernbrook Elementary students celebrate "I Love to Read Month" and to reinforce the importance of science and scientific reading, the Fernbrook PTO sponsored a visit by the Science Museum of Minnesota's ExploraDome Planetarium. The ExploraDome is a portable, immersive learning environment where students experience "hands-on, minds-on" learning. Through guided inquiry based on the Minnesota state science standards, students traveled virtually to the edge of the known universe.

On March 2, Crest View Elementary kicked off its Watch D.O.G.S. program with a pizza party. Approximately 19 fathers or father-figures and their students shared a meal, participated in fun learning activities, and learned more about volunteer opportunities at the school. The fathers demonstrated a high level of enthusiasm at the opportunity to contribute to the school community.

Mission-driven employees

Dr. Wendy Barden, music curriculum coordinator, has completed a case study of math and reading achievement in grades 3-5 at Birch Grove Elementary. The multi-year study looked at possible patterns in

<p>SUPT. REPORT</p>	<p>achievement relative to participation in rigorous arts experiences. Dr. Barden presented her findings at the American String Teachers Association conference on February 19, and a summary of the study will be included in the spring issue of <i>Interval</i>, the publication of the Minnesota Music Educators Association.</p> <p>Pam Hennen, science teacher and coach at Maple Grove Senior High, is being inducted into the Minnesota Fast Pitch Softball Hall of Fame sponsored by the Minnesota Fast Pitch Coaches Association.</p> <p>Maple Grove Senior High social studies teacher, Susan Smith, is the first vice president of the Midwest World History Association. The association forges links between the secondary and post-secondary teachers and professors of world history. Maple Grove Senior High is an affiliate of the Association, whose mission includes promoting the study of world history through the engagement of research, teaching and publication.</p>
<p>SCHOOL BOARD REPORTS</p>	<p>Director Cottington reviewed some of the key duties of the School Board.</p> <p>Director Epley reported that she and Director Green attended the <i>Housing for All</i> roundtable that was hosted at the Educational Service Center.</p> <p>Director Green reported that according to a summary of results of bond refunding (2005-2010) District 279 taxpayers have saved approximately \$10,883,107.</p>
<p>MISSION FORWARD UPDATE</p>	<p>Mission Forward Task Force co-chair Mark Fournier provided an update to the School Board on the task force’s exploration of the topic, “academic rigor.”</p>
<p>PRESENTATION: TECHNOLOGY ENHANCES LEARNING</p>	<p>Licensed media specialists Kim Haugo (FB), Joan Magnuson (BG), and Jennifer Perusse (BW) shared a few of the many ways that today’s media specialists help kids learn by using technology. Kim Haugo showed samples of student work in creating graphic novels; Joan Magnuson demonstrated use of online tools for student work such as book reports and animated videos; and Jennifer Perusse described her work in teaching students how to create interactive e-books.</p>

Memorandum

TO: School Board Members

FROM: Sharon Peters-Harden
Coordinator, Dept. of Equity and Integration

RE: Integration Revenue

DATE: March 30, 2010

Integration Revenue. Under Minnesota Rules, parts 3535.0100 to 3535.0180 districts must use integration revenue for programs established under a desegregation plan filed with the Department of Education. The revenue must be used for students to have increased and sustained interracial contacts and improved educational opportunities and outcomes designed to close the academic achievement gap between white students and protected students as defined in subpart 4 of the Rules through classroom experiences, staff initiatives, and other educationally related programs consistent with subdivision 1b.

Integration Plan components. Each year a district's school board must approve the budget plans submitted before integration revenue is awarded. Each budget should identify:

- Specific goals of the integration plan that are premised on valid and reliable measures, effective and efficient use of resources, and continuous adaptation of best practices;
- Provide for implementing innovative and practical strategies and programs such as magnet schools, transportation, research-based programs and practices to improve the performance of protected students with lower measured achievement on state or local assessments, staff development for teachers in cultural competency, formative assessments, and increased numbers of teachers of color that enable the district to achieve annual progress in realizing the goals in its plan; and
- Establish valid and reliable longitudinal measures for the district to use in demonstrating the amount of progress it has achieved in realizing the goals in its plan.

The attached FY 2011 cover sheet is being submitted to the board for signature consistent with the goals of the current three-year Integration Plan on file with the Minnesota Department of Education.

Integration Revenue Budget Worksheet FY11

Use this worksheet to provide updated budget data that will be used to calculate FY10 Integration Revenue. Address questions on Integration Revenue budget submission to the Office of School Choice Programs and Services, 651-582-8616. Return the completed worksheet with supporting pages from the locally approved budget by April 15th, 2010, to Joy.Moylan@state.mn.us. **Electronic submission is required.**

CERTIFICATION STATEMENT

We certify that the budget information submitted for our school district to the Minnesota Department of Education (MDE) is an accurate and complete representation of the fiscal year 2010 Integration Revenue budget that was approved by the school board.

MDE Approval: _____ Amount: _____ Date: _____

Date: April 6, 2010

To: Members of the Board of Education
 Susan Hintz, Superintendent of Schools
 From: Dale J. Carlstrom, Director of
 Facilities and Transportation Operations
 Subject: Transportation Contract Award
 July 1, 2010 – June 30, 2012

The purpose of this correspondence is to communicate the process and procedure for awarding a new contract(s) effective July 1, 2010. On June 30, 2010, the current ISD 279 transportation contracts expire. ISD 279 made solicitations and accepted quotations to contract for the transportation of school children pursuant to M.S. Section 123B.52, subd 3. ISD 279 seeks to enter into a two-year contract that may be extended annually for three years beyond the initial two-year contract period.

The following process was used to evaluate solicited quotations for transportation services. All prospective service providers were required to attend a pre-proposal meeting on March 3, 2010 where the participants received further explanation of the contract specifications and the quote requirements. On the March 24 deadline, ISD 279 received quotations from six bus contractors. Each proposal was evaluated for conformity to the elements set forth in the specifications and deemed responsive or non-responsive. Further, the proposals were evaluated on 12 essential elements of the contract and a score was assigned to each element.

Two of the six proposals were found to be non-responsive which implies that the contractor's proposal did not address an essential element required in the specifications. The scores of the remaining proposals were compared and segments of the book of business were assigned to the responsive, responsible contractors.

I recommend to Superintendent Hintz and the Board of Education that the 2010-2012 contracts are awarded as follows:

First Student Inc

To-From Big Bus, 82 buses,	Annual Total \$3,817,516
Mid-Day Big Bus, 27 buses,	Annual Total \$290,990
Late Activity Big Bus, 28 buses,	Annual Total \$313,756
To-From Small Bus, 95 buses,	Annual Total \$4,482,962
ESY, 5 type III, 68 type A, 17 C	Annual Total \$221,493

Metropolitan Transportation Inc.

To-From Small Bus, 42 buses	Annual Total \$1,787,080
-----------------------------	--------------------------

The proposed contract award totals would save \$493,984 in year one over the current transportation contracts. Pursuant to MS 13.591 subd. 3(b), the responses to a request for proposal are private or nonpublic data until completion of the evaluation and awarded process. Upon Board action to approve this recommendation on April 6, 2010, a tabulation of all proposals will be made available to the respondents and the public. All proposal documentation will be available for review upon request.
